For automation agent.

Create a document having:

- 1. Introduction and details of IMTA
- 2. Services provided by IMTA, like automation.
- 3. Tools information for automation, such as n8n, make.com, Zapier, or Al coding.
- 4. Short Description of Past automation work/projects.

Cost of agent per month:

Assuming you're placing 60 minutes of outbound calls per day:

Daily cost: $60 \times \$0.155 = \$9.30/day$

Monthly cost (\sim 30 days): \$9.30 × 30 = \$279/month
